**FROM: NEIL PRICE**

**DATE: APRIL 13, 2011**

**SUBJECT: AMENDED APPLICATION OF TRACFONE WIRELESS, INC. FOR  
DESIGNATION AS AN ELIGIBLE TELECOMMUNICATIONS  
CARRIER IN THE STATE OF IDAHO, CASE NO. TFW-T-09-01**

On March 31, 2011, the Commission conducted a technical hearing in this case. At the conclusion of the hearing, the Commission instructed counsel for TracFone that the Company had until April 8, 2011, to advise the Commission as to whether a post-hearing legal brief would be necessary.

### **POST-HEARING BRIEF ISSUES**

On April 8, 2011, TracFone submitted a letter to the Commission stating that it believes that briefs addressing the unresolved legal issues will be necessary in order to assist the Commission in rendering an appropriate decision in this matter. Among the issues cited by TracFone are those regarding applicability of certain taxes and fees on prepaid, non-billed telecommunications services.

TracFone requests that the Commission issue an Order directing parties to submit post-hearing briefs. TracFone proposes that initial briefs be due not less than 30 days following receipt by the parties of the reporter's transcript of the March 31 hearing, and that reply briefs be due not less than 21 days thereafter. TracFone also requests that all parties be directed to serve copies of their briefs on other parties by electronic mail.
